Intelligent Solution:

COMPLIANCE AND APPROVAL ISSUES

- UL/FM Approved
- DEA/Pharmacy Board Compliant

CONTROLLED SUBSTANCE ACCOUNTABILITY

- By recording activities where there is access to controlled substances, your security staff can cover a large area efficiently.
- Multiple areas can be observed from a single monitoring location.
- Your team can perform surveillance work efficiently and economically.
- We help you keep an eye on your facility and your employees by empowering your security staff to be everywhere at once.

LOSS OF PRODUCT

- Area controlled security helps prevent losses due to intrusion, shoplifting or internal theft by securing some areas while others are occupied.

ROBBERY

- Our state-of-the-art HSM 24-hour UL Monitoring Center provides reliable and prompt response to alarm conditions to help reduce the risks associated with a hold-up.

FACILITY MANAGEMENT

- Our HSM eDataManager allows easy access to all alarm data from your desk to help you manage more efficiently.
- Confirmation of facility open/close on time.

UNAUTHORIZED ACCESS

- Our HSM Access Control System helps to protect people, property and company information without inconveniencing your employees or disrupting your business.
- Control after-hours access to your facilities.

FIRE THREAT

- Our HSM Automatic Fire Alarm System is code compliant. It provides rapid, reliable and early notification to protect life and property.

MULTIPLE LOCATIONS

- We establish a program that matches your company's needs on a regional or national basis.
- We provide the knowledge and consistency you need to make informed security decisions.

eDATAMANAGER

- We keep you in the loop at all times with eDataManager, a Web-enabled tool that provides real-time access and control of your security system information.
- With just a mouse click, you can access real-time information on your incidents, service, opens and closes, alarms, contacts, zones and fire tests.
